## Communications Internships

### Who We Are:

Battle Born Progress is a non-profit, nonpartisan public relations firm for the progressive community in Nevada. We specialize in strategic communications, coupled with community outreach, to amplify the voices of Nevadans on issues such as gun violence prevention, health care, taxes, protecting public lands, and ensuring a fair judiciary. We also have a lot of fun while doing it. Our office is filled with young progressives working on a range of issues and with various community partner organizations.

### About Our Internship Program:
